

# Rennen Luxury Wheels

Rennen International proudly presents the new exclusive line of premium luxury wheels. The new lineup features stunning wheel designs engineered in Germany and manufactured to perfection.

Rennen delivers an expansion of finishes and coatings from quadruple chrome plating technology to the mirror polished lip. Each wheel is individualized with the Rennen Double 'R' logo that symbolizes "Precision" in the form of timeless design and superb quality and backed with a limited lifetime warranty.

Rennen Luxury Wheels: "The Fusion of Art and Engineering."
